REPORT OF THE TILTON-NORTHFIELD RECREATION COUNCIL

In providing the youth of the community with an opportunity to swim in the summer and to skate in the winter; in sponsoring and supervising Little League Baseball, promoting a tennis program, in coordinating a fire arms safety program, and conducting orderly social activities for our young people at regular intervals both on the high school level and for the younger children, we believe the Recreation Council is fulfilling the purpose for which it was established.

The need for such a program was brought to the attention of the community by some of the young people themselves. The adults have shown their understanding of these needs in taking the steps they have to establish such a program. Attention is called to the fact that a part time program only is being conducted. Much more could be done with a full time program. The Council hopes the day will come when a full time program is feasible.

In summarizing the progress of the recreational program during the past year it should be mentioned that swimming has become so popular it was frequently necessary to make extra trips with the school bus to transport the youngsters to Northfield Pond. Tennis was started for the first time this past summer as was archery. Hill's Brook was stocked with a few trout by the State Fish and Game Department as a safe spot in which the younger children could fish. This is the first winter when a skating program has been successfully conducted. Little League Baseball, boxing, badminton, and the Fire Arms Safety programs continued successfully.

The social programs at the Tilton Town Hall seem, to us, to be more orderly. We should note that some leadership is being developed among the young people

themselves and some feeling of responsibility for the success of the program among the participants is becoming evident. We feel the promoting of such attitudes is especially encouraging.

During the past year our original Director, Kim Perkins, was offered full time employment in recreation at considerably more pay to direct the North Conway Recreational Center. It is our feeling that the program in Tilton-Northfield would have never existed had it not been for Kim Perkins. We believe there will be those who can be everlastingly grateful that there was such a man who cared enough to bring about this program.

We feel especially fortunate that as a successor to Kim Perkins we were able to obtain Roger LaPlante, a man of experience and ability. We, the members of the Council, feel highly pleased with the conduct and development of the program since Roger LaPlante became Director.

The success of a community program, such as this, not only depends on the employment of a competent Director and the efforts of the members of the Recreation Council, but to a large part on the support and cooperation of a considerable portion of the population. There have been many people willing to give of themselves that this program might develop. We would like to thank each one individually — lack of space permits.

We should, however, thank the American Legion for conducting the Fire Arms Safety program. Tilton School for the use of their new tennis courts, Mr. and Mrs. Burt Smith for the use of their pond for community skating, the Firemen for flooding the pond in freezing weather, the Hill family and other abutters for fishing privileges, the couples who chaperoned social events, the adult managers of the Little League baseball teams, the women who spent afternoons helping with the swimming program and the adults who drove

their cars to transport young people on special trips. We are grateful to the Tilton officials for making the Tilton Town Hall available for parts of the program and to the Northfield officials for permitting the use of the town beach at Northfield Pond for swimming.

As we enter our fourth year we feel the recreational program in the community is continually improving. It is offering an increasing number of activities under ever improving supervision.

The members of the Recreation Council are: Linda Allen, Robert Bennett Jr., Albert Brooks, Robert Dascoulias, Charles Dwinal, Harold Harbour, Nathaniel Kessin, Norma Lamanuzzi, Jacqueline Lavigne, Richard Lavigne, Willis McLaughlin, Joyce Robinson, Alma Smith, Richard Smart, Ette Thibodeau, and Phyllis Yudickey.

ANNUAL REPORT OF THE DISTRICT NURSE

Fiscal Year Jan. 1, 1958 to Dec. 31, 1958

During this period the District Nurse cared for the following:

Non-Communicable	1712 calls for 303 cases
Office	41 calls for 31 cases
New Baby, Prenatal and Postnatal	60 calls for 41 cases
Health and Welfare Service	
Adult	201 calls for 154 cases
Infant and Preschool	136 calls for 114 cases
Baby (Office)	30 calls for 29 cases

24 trips were made with patients to clinics, hospitals, and doctors.

There were 86 new and 206 repeat cases admitted to the nursing service. 129 new and 293 repeat to the Health and Welfare Service.

As usual we held Toxoid Clinics in October, November, and December. Dr. Archie Grevior and Dr. Francis Robinson alternated as attending physicians. Assistants were Mrs. Lurline McCook, R.N., Mrs. Mona Hill, R.N., Mrs. Willa Downar, R.N., Mrs. Kathleen Hewett, R.N., School Nurse, and Mrs. Marjorie Roberts. Mrs. Virginia Comstock, R.N., the state preschool nurse, conducted the clinics in cooperation with the State Board of Health. A total of 166 Toxoids and 39 Vaccinations were given. The willing assistance of the above workers and the use of the American Legion Hall were appreciated.

Mrs. Lurline McCook, R.N., substituted as District Nurse for the month of August.

As usual the School Nurse and District Nurse bought, wrapped, and distributed gifts for children of the two

towns at Christmas. More was done along this line this year. Money from individuals, B.P.W. club and the school teachers helped to swell the fund for purchasing gifts. The Rotary Club as in the past furnished children's gifts at their Christmas party. The Girl Scouts gave Thanksgiving dinners. The Cub Scouts, Girl Scouts, and Brownies gave Christmas dinners and gifts. Generous baskets of clothing and toys were furnished by the Future Home Makers.

Many were made happy by receiving a full course Christmas dinner from one of the local organizations. Participating in this were the Elks, American Legion, Grange, Future Homemakers and others.

It is difficult to give in detail work done through the year in an annual report. Many things cannot be put on paper. It is the full intention of this service to work with and assist the Doctors in every way possible towards the health and welfare of the residents of the two towns. I would like at this time to give my sincere appreciation and thanks to the ones who have assisted me in many ways in making the above possible — namely the doctors, nursing board, selectmen, and residents. To these I feel very grateful and appreciate their sincere friendliness and assistance.

Respectfully submitted,

ALICE FRENCH, R.N.

REPORT OF TILTON-NORTHFIELD SCHOOL BOARD

We have held many meetings to study the 1959-60 proposed school budget. We have postponed to future budgets items of equipment and renovations that are desirable but not necessary at this time, in order to keep the tax rate from exceeding the normal increase and causing a heavy tax burden.

We have included money to complete the modernization of the school lighting program at the high school, with new lights to be purchased and installed on the third floor.

The problem of lost articles in the physical education rooms at the high school can be lessened by the installation of new small individual lockers in the girls' and boys' rooms. The school purchased a few large lockers for athletic teams but has never provided physical education lockers. We have included two thousand dollars for this project and would hope to install at least one-half of the lockers this year.

We are requesting the provision of a part-time clerk to assist the elementary school principal and free her from many routine duties for more valuable administrative and supervisory work with her eighteen full-time and three part-time teachers.

The proposed 1959-60 budget shows almost the same amounts as last year, with the exception of principals' and teachers' salaries. Teachers' salaries are the largest item in the budget and had to be increased to meet the new salary schedule. We need one additional teacher at the high school.

We feel that we used the funds you provided for equipment and repairs wisely, with new lights on the second floor of the high school, installation of gymnasium lights, outside lights for the high school parking area, a new power mower, the painting of the three

floors of the gymnasium entrance, painting of the bus entrance, purchase of a new adding machine and typewriter for the high school, and the purchase of forty pupil desks and chairs and two teachers' desks for the Union School. We have also arranged for the renovation of forty old window sills at the Union School.

We have held many meetings with the Sanbornton School Board and Cooperative District Committee and feel that the district would do well to have a committee work with the School Board to study this problem and report at a future district meeting.

We continue to appreciate the zeal and enthusiasm of the Journal-Transcript which has resulted annually in a fine scholarship for one Tilton-Northfield and one Franklin pupil and the creation of a permanent fund. It is a tribute to school support of the many individuals and firms whose gifts to the fund and to family memorials we deeply cherish.

May we thank the Parent-Teacher Association for its support and cooperation and wish it success in its 1959 project of television sets for the Tilton-Northfield Schools to take advantage of the new state station at the University of New Hampshire.

We wish to thank the American Legion for its use of its facilities for special school purposes.

The whole appearance of the Tilton-Northfield High School front lawn has been improved by the new artistic Exit and Entrance Standards bought and installed by the Garden Club.

We wish to express our thanks and appreciation for the many gifts made by organizations and individuals for scholarships, prizes and special gifts made during the year.

Our most important task is to establish policies for the schools to continually improve them and to spend economically and wisely the money provided by you. We do our best to save by competitive bids. We try to

be very reasonable in our requests for financial aid to the schools in the form of your taxes. We do want to maintain a fine teaching staff and secure the best teachers to fill vacancies.

The School Board is the group chosen by you to see that our children receive the educational opportunity they deserve and need to prepare them for life. We welcome now and always your constructive suggestions for the advancement of our schools.

Respectfully submitted,

Charles F. Dwinal, Chm.,
Dorothy B. Buswell,
Alexander G. MacGregor,
